Hi Giacomo,

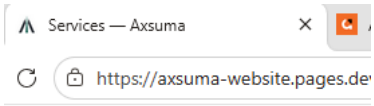
Please see the comments made regarding the home page, which were in the body of Charlotte's email:

- **Layout in black**
- **Formatting/edit tweaks in orange**

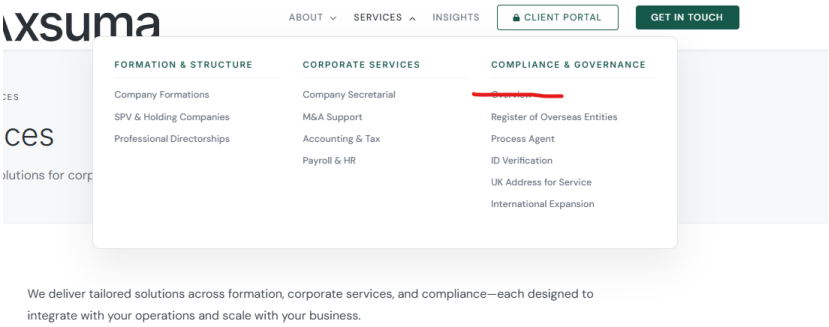
Home
/

- Immediately under the mountain banner, add in six boxes
  - Company Formations
  - M&A Support
  - Company Secretarial
  - ID Verification
  - Accounting & Tax
  - Process Agent
- The include the three boxes that are currently there

- In the tab headers, can these be short dashes or | not the long dash



- Delete the overview page



- **Add back in "sectors we serve" sections**
- **"Why Choose Axsuma?" on the About page overlaps with "Our Approach." – can we use the "Our Approach content" consistently please**
- **Minor footer inconsistency. The footer Solutions column differs between pages - some pages list 8 services, others list only 5.**
- **No phone number anywhere – please can you add a placeholder for this**
- **Alternative image to the summit**

In respect of the other amends documented via the link below, I have added some observations:

Website - Latest updates 23rd April 2026.docx

Observations

Company Formations

1. Still appears to be a gap between the Name checker and first text. Can this be closed?
2. Under "Complete UK Company Formation Solutions" – please remove last Paragraph
3. Under each of the company types i.e. Private Limited Companies, Ready-made Company Stock and Limited Liability Partnerships – please use the text provided in the link.

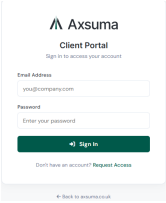
Company Secretarial

This page is showing the following:

Register of Overseas entities

-

1. Rename the "Complete registration support for overseas owners of UK property" section as "New ROE Registration - £1,250 plus VAT"
2. Remove sentence at top "Complete registration support for overseas owners of UK property"
3. Rename the "Transfer-in Service" section as "Transfer Existing ROE to Axsuma - £750 plus VAT"
4. Rename the "Annual Updating Statement" to "Annual Update Statement"
5. When clicking on either the new registration link or the transfer in link, they route to a portal account sign in box:



These forms need to be available without the need to enter the portal so <u>any</u> client can complete.

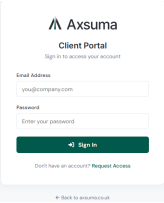
Process Agent Service

1. Please amend the text under the main "Process Agent Services header to read "UK process agent representation for overseas companies or individuals entering into English law agreements/contracts."
2. Please amend the first heading "Legal Process Representation for Overseas Companies" to read "Professional UK Process Agent Service"
3. When clicking on the "order now" button, it routes to the portal account sign in box. This order form needs to be available without the need to enter the portal.

Identity Verification Services

1. Can the gap between the text under "How to Apply" and the "start Your Identity Verification" be shortened?

ORDER FORMS – Please see comments in link about order forms. I am now unable to get access to review the "filling forms" order forms as I simply get the following:



Happy to jump on a call to run through the requirements if easier.

Thanks

Jason
